Re: Retail Access Reimbursement to Retail Supplier for Ancillary Services:
Revision to Reconciliation Month for Ancillary Reimbursements

Dear Commissioners:

The amended tariff leaf set forth below is filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on October 25, 2005 to become effective February 1, 2006.

P.S.C. No. 15 - Electricity

1st Revised Leaf No. 132.1

The purpose of this filing is to change the reconciliation time frame for ancillary reimbursements from two months after the initial reimbursement to three months after the initial reimbursement. This will allow for the receipt of all meter readings for the Retail Supplier's / Direct Customer's accounts. Currently, multiple meter readings have not yet been received when the two month prior reconciliation is processed. Since the Company will notify Retail Suppliers operating in Central Hudson's service territory of the proposed changes, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication be waived.

Questions related to this filing should be directed to Nicholas Wight at 845-486-5749.

Yours very truly,

Arthur R. Upright
