Re: New Tariff Schedule, P.S.C. No. 7 Electricity

Dear Secretary Brilling:

City of Jamestown, New York, is filing a new Tariff Schedule, P.S.C. No. 7 – Electricity, to become effective August 1, 2011. The new Tariff Schedule reflects the conversion of the current tariff schedule to an electronic format so that filings can be made with the Commission electronically using the Commission's Electronic Tariff System.

The new schedule will allow the tariff to be posted on the Commission Web Page.

If you have any questions or need additional information, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Leathers", is written over a faint, circular, light-gray watermark that contains the letters "bpu".
