Matter 10-02644 – Original Tariff

Dear Jaclyn A. Brilling

Enclosed please find as requested 3 copies of the original Tariff on behalf of the Monroe Security & Safety Systems Local Development Corporation. It is the intent of the Monroe Security & Safety Systems Local Development Corporation to develop and provide wholesale dark fiber access. Monroe Security & Safety Systems Local Development Corporation will seek to establish a fiber foundation within Monroe County. This foundation will be attractive to entities that require transmission capacity where they have geographic gaps in their facilities, need additional capacity or require alternative or redundant routing, and others requiring transmission capacity to carry their telecommunications traffic.

As requested please find the Tariff which is similar to Case 06-C-0382.

Thank you for your support. Please feel free to contact me at (585) 377-1850 X222 if you have any questions upon review of this Tariff.

Sincerely,
