This filing is being submitted to incorporate housekeeping changes to the Companies electric tariffs. After discussion with PSC Staff, the Companies are providing more detail to describe the calculation of the Capacity component of the Commodity Charge.

Newspaper Publication and SAPA

The Companies are requesting waiver of publication of these proposed changes in accordance with Section 66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1, as these “housekeeping” revisions have no direct impact on NYSEG’s or RG&E’s electric customers.
