Public Service Commission
Three Empire State Plaza
Albany, NY 12223

Dear Commissioners:

The enclosed Statement, which is listed below, is issued by Central Hudson Gas & Electric Corporation to become effective on March 12, 2010, the billing date for the eighth batch of the Company's March 2010 billing cycle, and is transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding changes in adjustments. The statement listed below reflects a revision to the statement previously filed with the Commission on March 8, 2010 to incorporate a change in the cost of purchased energy discovered on March 10, 2010. Based on the significance of the change, and in consultation with staff, the Company hereby submits the following statement:

PSC No. 15 Electricity

Statement of Market Price Charge and Market Price Adjustment

MPC - 109

The factors included in MPC Statement No. 109 are applicable to energy supplied by the Company and are based on the actual commodity costs required to serve the Company's full service customers during the month of February. MPC Statement No. 109 includes Market Price Adjustment (MPA) factors corresponding to the reconciliation of energy costs for the month of November 2009, which were collected through the MPC and for which collections were completed in February. MPC Statement No. 109 also includes the UCAP factor reflecting capacity costs valued at the NYISO spot auction rate pursuant to the Order in Case 08-E-1365 dated April 3, 2009.

Supporting exhibits have been sent to the Commission's staff.

Yours very truly,

Michael L. Mosher
