Dear Secretary Brilling:

In keeping with our Request for a Certificate of Public Convenience and Necessity (CPCN) as a CLEC, please accept our Submission of both a PSC-1 Tariff for Local Telecommunications Services and a PSC-2 Tariff for Access Services.

If there should be any questions or clarifications, please feel free to contact me via e-mail, JFAudino@Worldlink.net, or by telephone on 716-432-8984.

We look forward to approval of our Tariffs and the opportunity of becoming a CLEC in New York.

Respectfully submitted,
John Audino
