Re: **Case No. 10-G-0002 – National Fuel Gas Distribution Corporation**

**Postponement of Ordinary Tariff Filing Regarding  
Posting of Minimum Flow Requirements Applicable to  
Mandatory Upstream Transmission Capacity**

Dear Secretary Brilling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendment to its tariff, P.S.C. No. 8 - GAS:

Supplement No. 38

The proposed Supplement is issued as of today for an effective date of March 19, 2010.

Distribution submitted a tariff amendment on January 8, 2010 proposing to modify tariff language to, from time-to-time, post instructions on its web site regarding minimum flow requirements applicable to Mandatory Upstream Transmission Capacity. Distribution’s proposed amendment also makes certain other ministerial and clarifying changes. The sole purpose of the current filing is to postpone the proposed tariff amendments from March 25, 2010, as initially filed, until March 28, 2010 in accordance with Staff’s request.

For questions relating to this filing, please contact the undersigned at (716) 857-7237.

Respectfully submitted,

Randy C. Rucinski
