Purpose of the Filing

On August 3, 2009, the Company filed tariff amendments in compliance with the Opinion and Order Authorizing Merger and Adopting Rate Plan issued December 31, 2001 ("the filing") which complied with Commission Opinion No. 01-06, Opinion and Order Authorizing Merger and Adopting Rate Plan to (i) to reset its Competitive Transition Charges ("CTC") in retail delivery rates to reflect changes in the forecast of commodity prices for the coming two years, and (ii) to adjust delivery rates associated with deferral recoveries because the deferral balance exceeded \$100 million as of June 30, 2009 as further provided in the Merger Rate Plan. In that filing, the Company included the tariff leaves that were proposed to become effective on January 1, 2010, or the first year of the current reset period ("Compliance Tariff Leaves").

On December 21, 2009, the Commission issued its Order in this proceeding and directed the Company to file further tariff amendments consistent with the discussions contained in the order, to become effective on not less than one day's notice on January 1, 2010. This filing complies with this directive with the above leaves becoming effective January 1, 2010, the first year of the current reset period.
