Re: Revisions of Leaves Filed in Case 08-E-0751

Dear Commissioners:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on November 16, 2009 to become effective March 1, 2010.

P.S.C. No. 15 – Electricity

7th Revised Leaf No. 170
9th Revised Leaf No. 272.6
1st Revised Leaf No. 272.6.1

The Company is filing revisions to the leaves listed above to become effective March 1, 2010. Revised Leaf Nos. 170 and 272.6 are being filed to incorporate reactive demand provisions for service classes with customers operating on-site induction generators. These leaves were previously filed with the Commission on October 22, 2009 to incorporate the aforementioned provisions, but superseding revisions have since become effective. Revised Leaf No. 272.6.1 is being filed as a result of spacing requirements.

Questions related to this filing should be directed to Lauren Guido at (845) 486-5761 or Jodi Harris at (845) 486-5578.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
