Re: Capacity Release Service, Case No. 09-G-0568

Dear Secretary Brillling:

By letters dated July 20, 2009 and July 30, 2009, Consolidated Edison Company of New York, Inc. ("the Company") filed with the Public Service Commission ("Commission") tariff amendments to its Schedule for Gas Service, PSC No. 9 – Gas ("the Tariff"), to become effective November 1, 2009 proposing to modify the Company's capacity release service available to Capacity Release Sellers ("Sellers") serving firm transportation customers.

The Commission Staff has requested a postponement of the effective date of the proposed tariffs to April 1, 2010, to provide Marketers with additional time to incorporate the capacity pricing into their agreements.

The Company accordingly files Supplement No. 36 to postpone the effective date of the tariff amendments included in its July 20, 2009 filing to April 1, 2010. Supplement No. 36 is issued October 1, 2009, with an effective date of October 31, 2009. The Company requests that the requirements for newspaper publication be waived.

Respectfully submitted,
