RE: Village of Arcade – Case 09-E-0547

Dear Secretary Brilling:

On July 13, 2009, the Village of Arcade (Village) made a tariff filing to establish a new Service Classification No. 6 – Supplemental Service for Wholesale Electric Generation. Following discussions with Commission Staff, the Village proposes to cancel the filing.

Attached for filing with the Commission is Cancellation Supplement No. 2 to the Schedule for Electric Service P.S.C. No. 1 - ELECTRICITY issued by the Village. The Village requests permission to put the Supplement into effect on October 17, 2009.

As the filing is a cancellation, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of the enclosed Supplement.

Respectfully submitted,

John W. Dax
