RE: Revisions to Statement of Percentage Increase in Rates and Charges for MTA Tax
Reconciliation

Dear Secretary Brilling:

Consolidated Edison Company of New York, Inc. ("Con Edison" or the "Company") is filing the following revisions to the "Statement of Percentage Increase in Rates and Charges" separately stated to Con Edison's steam tariff:

GRT Statement No. 3 to PSC No. 4 – Steam
Effective June 1, 2009

Explanation of Filing

The revisions to the Statement of Percentage Increase in Rates and Charges applicable to the Company's steam tariff, to take place in June and July 2009, reflect the annual reconciliation of MTA revenues and expense.

The Company's steam tariff provides that revenues collected during the MTA surcharge billing year (April 2008 through March 2009) be compared with the MTA surcharge expense for the calendar year 2007. The Company over-collected about \$84,790 for its steam operations. The steam over-collection amount is further adjusted to credit to steam customers an amount that was over-collected through the MTA reconciliation that was billed to steam customers in June and July 2007. Recent account data validation efforts identified \$472,000 that is to be credited to

customers plus an additional \$51,723 interest. The total over-collection amount for steam including the interest amount is about \$608,513. The reconciliation adjustment will be -1.0131%.

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.

Christine Colletti
Director
Rate Engineering Department
