Re: Case 10-E-0532 – Minor Rate Filing of Bath to Increase Its Annual Electric Revenues by About \$272,965 or 6.3%.

Dear Secretary Brillling:

On October 22, 2010 the Bath Electric, Gas and Water Systems (BEGWS) made a tariff filing to increase electric revenues by approximately \$272,965 or 6.3%. Following discussions with Commission Staff, BEGWS proposes to cancel the filing.

Attached is Supplement No. 10 to P.S.C. No. 1 – Electricity which cancels the filing. The proposed supplement has an effective date of April 1, 2011. BEGWS requests a waiver of newspaper publication of this Supplement.

The Company asks that questions regarding this filing be directed to Frank W. Radigan of the Hudson River Energy Group at (518) 452-2585.

Respectfully submitted,

For Bath Electric, Gas and Water Systems
