Re: Case 98-M-1343, "In the Matter of Retail Access Business Rules"

Dear Secretary Brilling,

Orange and Rockland Utilities, Inc. (the "Company") hereby transmits for electronic filing today with the Public Service Commission (the "Commission") a revised addendum, Addendum-UBP-7, to its Schedule for Gas Service, P.S.C. No. 4 – Gas.

Addendum-UBP-7 incorporates verbatim the revised text of the "Uniform Business Practices" ("UBP"), dated December 2010, which was approved by the Commission in its Order Implementing Chapter 416 of the Laws of 2010, issued and effective December 17, 2010 ("December 2010 Order"). Pursuant to the December 2010 Order, the UBP has been revised to reflect the implementation of Chapter 416 of the Laws of 2010.

Chapter 416 of the Laws of 2010 amends the general business law ("GBL"), by adding requirements energy service companies ("ESCO") must comply with when marketing energy services to residential customers and/or through door-to-door sales and requires the Commission to develop an ESCO Consumers Bill of Rights.

As directed by Ordering Clause 3 of the December 2010 Order, Addendum-UBP-7 is being filed on not less than one day's notice to become effective on or before January 10, 2011. As directed by Ordering Clause 4 of the December 2010 Order, the requirement for newspaper publication has been waived.

Questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

William A. Atzl, Jr.
