Re: Supplement to Filing in Case 10-E-0406

Dear Commissioners:

The tariff leaf set forth below is filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") on November 16, 2010 to become effective December 28, 2010.

P.S.C. No. 15 – Electricity

3rd Revised Leaf No. 272.1

The Company is filing the leaf listed above to become effective December 28, 2010 in order to incorporate amendments to Public Service Law Section 66-j into its tariff. This filing is a supplement to the filing made on September 16, 2010. Per discussion with Staff, in order to comply with the Notice Establishing Filing Requirements issued by the Commission on August 23, 2010, amendments to the aforementioned leaf had to also be made.

In addition, pursuant to discussion with Staff, the Company concluded that changes to Public Service Law Section 66-j that were previously effectuated were inadvertently omitted from this leaf. As such, the Company has also amended the leaf listed above to incorporate the amendments to the law that were erroneously excluded from the tariff previously.

Since customers participating in net metering are in direct contact with Central Hudson, the Company requests that the requirements of 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Jodi Harris at (845) 486-5578.

Yours very truly,

Michael L. Mosher
