Dear Secretary Brillling:

By letters dated June 29, 2010 and August 26, 2010 Consolidated Edison Company of New York, Inc. ("the Company") filed with the Public Service Commission ("Commission") tariff amendments to its Schedule for Gas Service, PSC No. 9 – Gas ("the Tariff"), to become effective September 27, 2010 proposing changes to its Gas Tariff (similar to proposed changes in the Company's electric tariff in Cases 09-E-0428 and 08-M-0152) so that it can provide aggregate information concerning a building's most recent 24 months of gas usage (i.e., for all units plus common areas) to a building owner or its authorized agent who requests the information.

The Commission Staff has requested postponement of the effective date of the proposed tariff leaves to October 27, 2010.

The Company accordingly files Supplement No. 40 to postpone the effective date of the tariff amendments included in its June 29, 2010 and August 26, 2010 filings to October 27, 2010. Supplement No. 40 is issued on 30 days' notice, and has an effective date of October 13, 2010. However, since the tariff leaves were issued with an effective date of September 27, 2010, the Company requests that it be authorized to put the supplement filed today into effect on short notice, i.e., September 27, 2010. The Company requests that the requirements for newspaper publication be waived.

Very truly yours,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
