Re: Case No. 12-E-0398 – Tariff Filings to Effectuate
Amendments to Public Service Law §66-j (Remote
Net Energy Metering for Micro-Hydro Electric
Generating Systems) and Conforming and
Reforming Changes to Standardized
Interconnection Requirements.

Dear Secretary Brilling:

By letter dated October 12, 2012, Orange and Rockland Utilities, Inc. (the “Company”) filed with the Public Service Commission (the “Commission”) an amendment to its Schedule for Electric Service, P.S.C. No. 3 – Electricity to become effective February 1, 2013 in compliance with the Commission’s Notice Establishing Filing Requirements, issued September 7, 2012 in Case No. 12-E-0398.

Commission Staff has requested a postponement of the effective date of the proposed tariff amendment to March 1, 2013, to allow time for further review of the proposed changes.

The Company accordingly files Supplement No. 1 to postpone to March 1, 2013, the effective date of the tariff amendment included in its October 12, 2012 filing. Supplement No. 1 is issued December 14, 2012, with an effective date of January 14, 2013. The Company requests that the requirements for newspaper publication be waived.

Any questions regarding this filing can be directed to me at (212) 460-3308.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
