Albany, NY 12223

Dear Commissioners:

The enclosed Statements, which are listed below, are issued by Central Hudson Gas & Electric Corporation to become effective on November 8, 2012, the billing date for the eighth batch of the Company's November 2012 billing cycle, and are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding changes in adjustments. Please be advised that Central Hudson has consulted with Commission Staff to inform them the Company would be filing the enclosed statements on two days notice as a result of delays due to Hurricane Sandy.

PSC No. 15 Electricity

Statement of Market Price Charge and Market Price Adjustment	MPC - 142
Statement of Miscellaneous Charges	MISC - 139
Statement of Purchased Power Adjustment	PPA - 139

The factors included in MPC Statement No. 142 are applicable to energy supplied by the Company and are based on the actual commodity costs required to serve the Company's full service customers during the month of October. MPC Statement No. 142 includes Market Price Adjustment (MPA) factors corresponding to the reconciliation of energy costs for the month of July 2012, which were collected through the MPC and for which collections were completed in October. MPC Statement No. 142 also includes charges related to the Company's Hourly Pricing Provision.

The factors included in MISC Statement No. 139 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the net benefit or cost of non-avoidable, variable energy related revenues and costs associated with the Company's remaining generation facilities and from mandatory purchases from Independent Power Producers for the month of October. MISC-139 also includes a reconciliation component for July 2012 costs/benefits.

The factors included in PPA Statement No. 139 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the reconciliation component for costs/benefits of the Company's Purchase Power Agreement with the new owners of the nuclear generating plant previously owned by the Company, as well as refund to or collect from customers any payments made under the Revenue Sharing Agreement with the new owner's of the nuclear generating plant previously owned by the Company.

Supporting exhibits have been sent to the Commission's staff.

Yours very truly,
