Albany, New York 12223

Dear Secretary Brilling:

Transmitted is the following revised page for The Champlain Telephone Company:

P.S.C. No. 8-Telephone
Section 3
Third Revised Pages 7, 8, 10
Addendum 5

The issue date of this filing is December 3, 2012 and the effective date is February 1, 2012.

The Company seeks to increase its basic residential access line charge by \$2.00 as authorized by the Framework for Regulatory Relief Order in case 07-C-0349, released December 18, 2010, as long as the Company's ROE does not exceed its authorized ROE.

In addition, the Company seeks to offset this increase via a bill credit using certain deferred credits maintained by the company pursuant to the Commission's Order, in cases 94-C0095 and 28425 issued and effective December 17, 2003 for future disposition by the Commission. The Company seeks to apply the USF-ICE Storm Proceeds, in part, to offset basic local exchange rate increases for all customers. The Commission has previously approved the company's request. Supporting documentation is provided in attachment 1. The Company will notify its customers via its normal marketing efforts.

If you have any questions, please call me at 443-2703.

Sincerely,

Caroline Hill, Regulatory and Member Services Director
