New York State Public Service Commission
Three Empire State Plaza
Albany, New York 12223-1350

Dear Secretary Brilling:

Enclosed herewith for filing are corrected tariff leaf nos. 84 and 85 (revision 1 to supersede revision 0) on behalf of New York American Water Company, Inc., f/k/a New York Water Service Corporation (the "Company"). The Company has been properly charging the Commission approved rate year 3 rates for these service classes, however, when the Company filed its new tariff under its new name in compliance with the Order of the Public Service Commission in Case 12-W-0217, it inadvertently filed leaf nos. 84 and 85 reflecting the previous rate year 2 rates. The attached leaves correct that administrative error.

The Company respectfully requests a waiver of newspaper publication for this administrative filing as these rates were published in compliance with ordering paragraph 2(b) of the May 1, 2012 Commission Order in Case 11-W-0472.

Please do not hesitate to contact me should you have any questions.

Respectfully submitted,

/s/ Suzana Duby
