Re: SLIC Network Solutions, Inc. – Concurrence with Verizon New York
PSC No. 11 – Telephone Tariff

Dear Secretary Brillling:

Enclosed please find Concurrence No. 3 filed by SLIC Network Solutions, Inc. (SLIC). Pursuant to this Concurrence, SLIC assents to, concurs in, and adopts as its own tariff, the rates, terms and conditions contained in the Verizon New York Inc. PSC No. 11 – Telephone Tariff, which establishes rates, terms and conditions for intrastate access service.

To the extent the Verizon PSC No. 11 Tariff refers to the “Company”, or “Carrier”, through this Concurrence, such terms should be deemed to refer to SLIC, and pursuant thereto SLIC will apply the rates, terms and conditions of the Verizon PSC No. 11 Tariff to SLIC customers who receive intrastate access services from SLIC.

By separate letter, I am notifying general counsel for Verizon New York of this filing, and requesting that Verizon update its PSC No. 11 – Telephone Tariff to reflect this Concurrence.

This Concurrence extends a prior Concurrence in the PSC No. 11 Telephone Tariff filed on July 23, 2004.

Please address all questions to the undersigned.

Sincerely,

Keith J. Roland
