Notice to Effectuate Amendments to Public Service Law Sections 66-j - Case 12-E-0393

Dear Commissioners:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") on October 12, 2012 to become effective February 1, 2013 in order to reflect amendments made to Sections 66-j of the Public Service Law in compliance with the Notice Establishing Filing Requirements issued September 7, 2012.

P.S.C. No. 15 – Electricity

3rd Revised Leaf No. 163.5.6
3rd Revised Leaf No. 163.5.7
2nd Revised Leaf No. 163.5.8

These amendments provide for the remote net metering of farm and non-residential micro-hydroelectric customer generators pursuant to revisions to Sections 66-j of the Public Service Law effectuated through Chapter 318 of the Laws of 2012.

Central Hudson's proposed changes to the standardized interconnection requirements (SIR) will be filed under separate cover.

Since customers participating in net metering are subject to interconnection requirements and are therefore in direct contact with Central Hudson, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Linda VanEtten at (845) 486-5554.
