

October 24, 2012

Honorable Jaclyn A. Brilling, Secretary  
State of New York  
Public Service Commission  
Office of the Secretary  
Three Empire State Plaza  
Albany, NY 12223

Dear Secretary Brilling:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid ("Company"), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission ("Commission"):

Statement of Supply Service Charges No. 11  
To P.S.C. No. 214 Electricity  
Effective: October 29, 2012

The above statement is being filed in accordance with Rule No. 46.4-Supply Service Charges in PSC No. 220 Electricity. Attachment 1 of this filing displays the derivation of these charges.

Please note that this statement includes a correction to account for a small percentage of supply service revenues that was unreported in prior months. The timing adjustment used by the revenue reports resulted in a mismatch between calendar month billed revenue amounts reported each month. Attachment 2 provides supporting detail for this one time correction.

This Supply Service Charge Statement is to be filed with the Commission on not less than three (3) business days notice before the effective date. Supply Service Statement No. 11 is effective October 29, 2012 for batch billed customers, and November 1, 2012 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

*/s/ Pamela B. Dise*
