Dear Commissioners:

P.S.C. No. 15 – Electricity

1st Revised Leaf No. 163.5.30

2nd Revised Leaf No. 163.5.31

After further discussion with Department of Public Service Staff and the New York Power Authority the Company made revisions to the definition of Accepted Allocation and the calculation of the Billing Ratio in the tariff leaves filed herein.

Since the Recharge NY Power Program power allocations will not be effective until July 1, 2012, no current customers are impacted by this change. Therefore, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendment listed herein be waived.
