Revisions to Billing Provisions Applicable to Net Metered Customers
Subject to Hourly Pricing Provisions

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation (“Central Hudson” or “the Company”) on February 7, 2012 to become effective June 1, 2012.

P.S.C. No. 15 – Electricity

2nd Revised Leaf No. 163.5.15

2nd Revised Leaf No. 163.5.19

2nd Revised Leaf No. 163.5.25

The amendments to the leaves listed above outline billing provisions applicable to customers that are both net metered and subject to hourly pricing provisions (“HPP”). These leaves were initially filed as part of Case 11-E-0524, but in order to allow more time for review, the language referenced on the leaves herein was removed from consideration in that Case and filed separately.

Since customers participating in net metering are subject to interconnection requirements and are therefore in direct contact with Central Hudson, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Amy Dittmar at (845) 486-5433 or Jodi Harris at (845) 486-5578.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
