RE: CASE 11-G-0412 – Filing by KeySpan Gas East Corporation d/b/a National Grid to amend and clarify the requirements and procedures for customers taking service under Service Classification Nos. 4, 7, 12 and 13

Dear Secretary Brilling:

Attached for filing electronically with the Commission are the following tariff leaves listed on Appendix A, issued by KeySpan Gas East Corporation d/b/a National Grid (“the Company”), to become effective on February 1, 2012.

The Company initially filed revisions to its Temperature Control and Interruptible tariffs on August 1, 2011. These tariff revisions were intended to clarify certain requirements and procedures of the Company’s non-firm service classes. Subsequent tariff revisions were filed by the Company on November 30, 2011, as directed by the Commission in its Order, dated November 18, 2011, in the above referenced proceeding. This third set of revised leaves is being filed in compliance with the Commission’s Order of January 10, 2012, in which it directed the Company to make additional revisions to its Temperature Control and Interruptible tariffs in response to the Company’s petition for clarification of the November 18th Order.

Please contact the undersigned with any questions regarding this filing.

Very truly yours,

Dawn Herrity
