**Re: Case 08-E-0539, New Electricity Rate Schedule, P.S.C. No. 10 – Electricity**

Dear Secretary Brillling:

On July 15, 2011, Consolidated Edison Company of New York, Inc. (the “Company”) made a tariff filing with the Public Service Commission (the “Commission”), proposing a new electricity rate schedule, Schedule for Electricity, P.S.C. No. 10 – Electricity, to supersede P.S.C. No. 9 – Electricity and P.S.C. No. 2 – Retail Access. The proposed rate schedule was filed to become effective November 1, 2011.

At the request of the Staff of the Department of Public Service, the Company postponed to February 10, 2012, the effective date of the rate schedule that was filed on July 15, 2011. At Staff’s request, the Company is further postponing the effective date of the rate schedule to February 20, 2012. Accordingly, the Company hereby submits Supplement No. 2 to P.S.C. No. 10 - Electricity.

This supplement is issued on 30 days’ notice and has an effective date of February 4, 2012. The Company requests waiver of notice requirements of the proposed change in the effective date of the new rate schedule.

Sincerely,

/s/ Christine Colletti
