RE: Case No. 11-E-0321 – Niagara Mohawk Power Corporation d/b/a National Grid

Tariff Filings to Effectuate Amendments to Public Service Law §66-j and §66-l (Remote Net Metering by Farm and Non-Residential Customer-Generators) and Conforming Changes to Standardized Interconnection Requirements

Dear Secretary Brillling:

The enclosed leaves, issued by Niagara Mohawk Power Corporation d/b/a National Grid, are being transmitted for filing in accordance with the requirements of the New York State Public Service Commission (“Commission”).

First Revised Leaf No. 199.2
First Revised Leaf No. 199.3
First Revised Leaf No. 202.1
First Revised Leaf No. 202.2

To PSC No. 220 Electricity

Effective: December 5, 2011

On June 1, 2011, Chapter 35 of the Laws of 2011, amended Public Service Law (PSL) §66-j and §66-l in regards to the remote net metering of farm and non-residential solar photovoltaic or farm waste, and farm and non-residential wind electric customer generators. To implement this law, the major utilities were directed to file tariff amendments conforming their tariffs to these new statutory requirements by August 22, 2011 to become effective December 1, 2011.

The above leaves further revise the filing submitted to the Commission on August 22, 2011 proposing minor clarifying changes to the pending filing.

Short notice is respectfully requested for these leaves to become on less than statutory time to become effective December 1, 2011 to be consistent with the leaves presently before the Commission in this Case.

Also, waiver of the requirements of 16 NYCRR §720-8 of the Commission’s regulations as to newspaper publication is requested for this filing. Customer-Generators will be informed of these changes by the Company when they apply for remote net metering.

Honorable Jaclyn A. Brillling, Secretary
