Re: Purchased Power Adjustment

Dear Secretary Brillling:

Fishers Island Electric Corporation (FIEC) is filing a further revision to Leaf No. 58 Schedule, P.S.C. No. 2 – Electricity, to become effective October 1, 2011. The tariff revisions revise the language for the annual reconciliation of the purposed power adjustment. FIEC also requests a waiver of newspaper publication on this change.

Sincerely,

Robert Wall  
President
