Re: Case No. 11-G-0348 – Postponement of Proposed Tariff Revisions by
National Fuel Gas Distribution Corporation

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendment to its tariff, P.S.C. No. 8 - GAS:

Supplement No. 43

The proposed Supplement is issued as of today with an effective date of November 1, 2011. The tariff leaves referenced in the Supplement will be postponed to December 1, 2011.

Distribution submitted tariff revisions on June 28, 2011 proposing to foster the development of Natural Gas Vehicles (“NGVs”) in Western New York. The tariff filing further requested that the Commission authorize the addition of NGV applications to the Company’s existing Partnership for DG Pilot Program and extend authorization for these programs to March 31, 2015. The sole purpose of this filing is to postpone the effective date to December 1, 2011 to comply with Staff’s request.

For questions relating to this filing, please contact the undersigned at (716) 857-7735 or Eric Meinel at (716) 857-7805.

Respectfully submitted,

Daniel J. Ligman
Attorney
