**Case 11-G-0455: Filing to Effectuate Amendments to Public Service Law
Regarding Green Jobs Green New York On-Bill Recovery**

Dear Commissioners:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation (“Central Hudson” or “the Company”) on September 26, 2011 to become effective January 1, 2012 in compliance with the Notice Establishing Filing Requirements issued August 26, 2011 for the purpose of reflecting amendments made to the Public Service Law.

P.S.C. No. 12 – Gas

7th Revised Leaf No. 3
3rd Revised Leaf No. 132
3rd Revised Leaf No. 133

The Power Act of 2011 amends various sections of the Public Service Law to establish an on-bill recovery program to enable utility customers to pay for energy efficiency initiatives financed through a program administered by the New York State Energy Research and Development Authority (NYSERDA) through their utility bills.

Since only customers receiving financing through the NYSERDA administered program will be eligible for the on-bill recovery provided by the amendments herein and NYSERDA will be marketing the program and establishing the repayment process through the utilities, the Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived.

Questions related to this filing should be directed to Glynis Bunt (at 845-486-5420 or gbunt@cenhud.com) or Stacy Powers (at 845-486-5815 or spowers@cenhud.com).

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
