Re: Case No. 11-G-0543 - In the Matter of the Commission's Examination of the Criteria for Interruptible Gas Service.

Dear Secretary Brilling:

By the letter dated July 2, 2012, Consolidated Edison Company of New York, Inc. ("the Company") filed with the Public Service Commission ("Commission") tariff amendments to its Schedule for Gas Service, PSC No. 9 – Gas ("the Tariff"), to become effective August 1, 2012 in compliance with Commission's Order Directing Certain Utilities to Submit Tariff Amendments, issued and effective May 23, 2012 in Case No. 11-G-0543 (the "Order").

The Commission Staff has requested a postponement of the effective date of the proposed tariffs to November 1, 2012, to allow time for further review of the proposed changes.

The Company accordingly files Supplement No. 43 with an effective date of August 27, 2012, to postpone the effective date of the tariff amendments included in its July 2, 2012 filing to November 1, 2012. The Company respectfully requests that this supplement go into effect on short notice on or before August 1, 2012. The Company also requests that the requirements for newspaper publication be waived.

Very truly yours,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
