RE: Case No. 11-E-0408, Proceeding on Motion of the
Commission as to the Rates, Charges, Rules and
Regulations of Orange and Rockland Utilities, Inc. for
Electric Service

Dear Secretary Brilling:

Orange and Rockland Utilities, Inc. ("O&R" or the "Company") hereby submits for electronic filing the following tariff leaves proposing revisions to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY ("Electric Tariff").

Leaf	219	Revision	2
Leaf	220	Revision	1
Leaf	293	Revision	2
Leaf	295	Revision	2

These tariff leaves are issued July 18, 2012, to become effective on July 19, 2012.

On June 29, 2012, the Company made a filing in compliance with the Commission's Order Adopting Terms of a Joint Proposal, With Modification, and Establishing Electric Rate Plan, issued June 15, 2012, in the above-referenced case ("Compliance Filing"). The Compliance Filing included rate and tariff changes that became effective, on a temporary basis, on July 1, 2012. The Company has discovered that two sections of the Electric Tariff included in the Compliance Filing require minor corrections. In Section 15.3, Mandatory Day-Ahead Hourly Pricing, the Company inadvertently deleted language related to Ancillary Services and the NTAC Charge. The filing today adds this deleted language back into the tariff. In Service Classification No. 6, the Company has made a minor formatting correction on Leaf 293. In addition, the rate listed for the Delivery Charge for Service Type C was stated incorrectly as 5.55 ¢/kWh. The filing today adds the correct rate of 5.50¢/kWh. No customers will be affected by this change since there are no customers currently taking service under Service Classification No. 6.

The Company hereby requests a waiver of the Commission's requirement to publish notice of this filing since the Company is already publishing notice of the Compliance Filing.

Sincerely,

/s/
