Ms. Jaclyn A. Brillig  
Secretary  
New York State Public Service Commission  
Three Empire State Plaza  
Albany NY 12223-1350

Dear Ms. Brillig:

Submitted for electronic filing with the Commission is an original addendum to the Windstream New York, Inc. P.S.C. No. 1 - Telephone Tariff. The purpose of the addendum is to show both promotions originally filed as Addendum 8 and Addendum 9 in the effective addendum on the Commission website.

There have been no changes made to the time frame these promotions are running. The only change is to the numbering of the addendum at the top of the page.

Please call me at 501-748-6655 if you have any questions regarding this filing.

Sincerely,

Karen Higgs
