Re: Case 12-E-0189 Incremental Monthly Charge for Service Classification No. 2 Customers
Subject to Mandatory Hourly Pricing

Dear Commissioners:

In accordance with Commission rules, Central Hudson hereby files the following electric tariff supplement:

P.S.C. No. 15 – Electricity

Supplement No. 65

The purpose of this filing is to respond to Staff's request for a postponement until September 1, 2012 of the effective date of the rate leaves listed in the Supplement, which were filed on April 19, 2012 to update the incremental monthly charge currently included in the tariff applicable to Service Classification No. 2 customers subject to the Mandatory Hourly Pricing Provision.

The request to postpone these tariff leaves is made to accommodate Staff's request for additional time to review this proposal. This supplement is filed June 29, 2012 to become effective on September 1, 2012.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
