

**PSC NO: 1 - WATER**

COMPANY: The Meadows at Hyde Park Water-Works Corp.

INITIAL EFFECTIVE DATE: June 1, 2008

STATEMENT TYPE: RORI

STATEMENT NO. 1

**RATE OF RETURN STATEMENT  
STATEMENT NO. 1**

The water company will demonstrate annually that it is properly managing and operating its system by submitting documentation by January 31 of each year that the company has not experienced any of the following criteria:

1. Being under a "boil water" notice for 10 or more days per year.
2. Failure to meet state disinfection requirements for 5 or more days in any one month or have a waiver from the disinfection requirements.
3. Failure to provide water service to all of its customers for 2 or more consecutive days, except for power failures.
4. Being listed by the New York State Department of Health as a "Significant Non-Complier."
5. Failure to adhere to the provisions in the company's tariff schedule pertaining to escrow accounts.
6. Failure to have a licensed operator for 10 or more days per year.
7. Failure to adhere to the provisions in the company's tariff schedule pertaining to adequate levels of pressure.
8. Failure to maintain separate and distinct water company records that can be readily audited.
9. Failure to pay electric utility charges resulting in arrears and threatened termination of service by the electric company.
10. Any violations that require the Public Service Commission or any local or state Department of Health or Boards of Health to initiate a proceeding or issue a formal order relating to either service or operational problems.

Staff will complete its review within 30 days of the company's submission. If Staff believes that the company has experienced one or more of the above criteria, it may recommend to the Commission that the company be found to be not in compliance with properly managing and operating its system.

If the Commission determines that the company is not in compliance the Commission may order that the company's profit margin be reduced by up to one-half (50%). The company will be required to make quarterly deposits to satisfy the amount determined by the Commission, into an escrow account, for a year following the Commission's determination. This formal review process will be discontinued after the year ended December 31, 2010, providing the company has shown that it has properly managed and operated its system by not experiencing any of the above criteria.
