## **II. DEFINITION OF TERMS**

The following words and terms, when used in this tariff, have the following meanings:

1. Access Controller – A party known to a utility to be in control of access to the metering equipment at a customer's premises and to have an active account of its own with the utility.
2. Actual Reading – A reading obtained by a utility employee from the meter or from a device which receives a reading transmitted from the meter itself.
3. Applicant – A person who has made a request or has had a request made by a third party on his or her own behalf, for water service for his or her own residential use.
4. Arrears – Charges for which payment has not been made more than twenty (20) calendar days after payment was due. A payment is considered to be made on the date when it is received by the utility or one of its authorized agents. Payment is due whenever specified by a utility on its bill, as long as the date is not before the bill is hand-delivered to the customer, or less than three calendar days after the bill is mailed.
5. Backbill – Any bill or any portion of a bill, other than a levelized bill, which represents charges for service that was actually delivered to the customer's premises during a period before the current billing cycle, which was not previously billed.
6. Blind Person – A person who has central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye with a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees, shall be considered as having a central visual acuity of 20/200 or less.
7. Budget Billing (balance or levelized) – A payment plan option designed to reduce fluctuations in a customer's water bill resulting from varying patterns of consumption and charges by averaging the customer's usage over the most recent 12-month period into equal monthly installments.
8. Business Day – Any Monday through Friday when a utility's business offices are open, except for public holidays (defined herein).
9. Cold Weather Period – That period of time beginning November 1<sup>st</sup> of each year and ending April 15<sup>th</sup> of the following year.
10. The Commission – The New York State Public Service Commission.
11. The Company – Liberty Utilities (New York Water) Corp.
12. The Consumer Services Division – The Office of Consumer Services of the New York State Department of Public Service.

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 – WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 7****REVISION: 1****SUPERSEDING REVISION: 0****II. DEFINITION OF TERMS (CONTINUED)**

13. Current Charges – (Used in Section VI of this tariff) Refers to the amount properly billed to a party responsible for service to a multiple dwelling, as defined in paragraph 21 of this section, or a two-family dwelling, as defined in paragraph 28 of this section, for the billing period covered by the first bill rendered on or after the date the required notice is posted. Current charges do not include any arrears for earlier billing periods.

14. Customer – A person or entity who receives service from the Company and is responsible for paying for that service.

15. Deferred Payment Agreement (or Payment Agreement) – A written agreement for the payment of outstanding charges over a specific period of time.

16. Delinquent Customer – A customer who has made two (2) or more consecutive late payments, as defined in paragraph 19 of this Section II, within the previous twelve (12) months.

17. Disabled Person – A person with a physical, mental or medical impairment resulting from anatomical, physiological or neurological conditions which prevents the exercise of a normal bodily function or is demonstrable by medically accepted clinical or laboratory diagnostic techniques, as defined in the Human Rights Act [Executive Law, Section 292 (21)]; or a person who is unable because of mental or physical problems to manage his or her own resources or to protect himself or herself from neglect or hazardous situations without the assistance of others.

18. Elderly – A residential customer who is 62 years of age or older.

19. Heat-Related Service – Water service which is necessary for the on-going operation of a customer's primary heating system.

20. Late Payment – Any payment made more than twenty (20) calendar days after the date payment was due, in accordance with paragraph 4 of this subdivision.

21. Low Income Customer- To qualify as a Low-Income Customer, the customer must be a residential customer, the customer of record for the account, and enrolled in an eligible New York State governmental assistance program or registered as a "low-income" customer of another New York utility (i.e., electric or gas). The Company will qualify the customer as a Low-Income Customer on a yearly basis.

22. Multi-Use Service – Any water service that is supplied to a structure through one water service line extending from the water main to the structure, and which is used inside the structure for both domestic water service and fire suppression service. The rates applicable to a multi-use service are those found in Service Classification Nos. 1 and 2. Terms and conditions for multi-use services shall be the same as those under Sections I-VIII.

## **II. DEFINITION OF TERMS (CONTINUED)**

23. Multiple Dwelling – A dwelling designed to be occupied by three (3) or more families living independently of each other, as defined in the Multiple Dwelling Law or Multiple Residence Law.
24. Non-residential Customer – Any person, corporation, governmental agency or other entity who, pursuant to an accepted application for service, is supplied by a utility with water service under the utility's tariff, and who is not a residential customer.
25. Premise – The word “premise” as used herein shall be restricted to the following:
- a building under one roof owned or leased by one customer, and occupied as one residence or one place of business;
  - each unit of a multiple house or building separated by a solid vertical partition wall, occupied by one family as a residence, or one firm, as a place of business;
  - a building owned or leased by one customer have a number of apartments, offices, or lofts which are rented to tenants and using in common one hall and one or more means of entrance;
  - a building two or more stories high under one roof, owned or leased by one customer having an individual entrance for the ground floor occupants and one for the occupants of the upper floors;
  - Garden apartments owned by one individual or firm and located in one common enclosure.
26. Public Holiday – As defined under the New York General Construction Law, §24, the term public holiday includes the following days in each year: the first day of January, known as New Year's day; the third Monday of January known as Dr. Martin Luther King, Jr. day; the twelfth day of February, known as Lincoln's birthday; the third Monday in February, known as Washington's birthday; the last Monday in May, known as Memorial day; the second Sunday in June, known as Flag day; the fourth day of July, known as Independence day; the first Monday in September, known as Labor day; the second Monday in October, known as Columbus day; the eleventh day of November, known as Veterans' day; the fourth Thursday in November, known as Thanksgiving day; and the twenty-fifth day of December, known as Christmas day, and if any of such days except Flag day is Sunday, the next day thereafter; each general election day, and each day appointed by the president of the United States or by the governor of this state as a day of general thanksgiving, general fasting and prayer, or other general religious observances.
27. Residential Customer – Any person who, in accordance with an application for service made by such person or a third party on his or her behalf, is supplied with water service by a utility at a premises where such service is used primarily for his or her residential purposes. The word “customer,” when used alone in this tariff, refers only to a residential customer.
28. Seasonal, Short-term, or Temporary Customer – A customer who applies for and/or receives utility service periodically each year, intermittently during the year, or for a period of time up to one year.
29. Tampered Equipment – Any service-related equipment that has been subjected to unauthorized interference that has changed or inhibited the accurate measurement of water consumption or that has been connected without authorization after a utility has physically disconnected service.

**PSC No. 1 – WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 9****REVISION: 1****SUPERSEDING REVISION: 0****II. DEFINITION OF TERMS (CONTINUED)**

30. Two-family Dwelling – A building designed to be occupied exclusively by two families living independently of each other, where water service is not billed separately for each unit.

31. Utility – Any waterworks corporation, as defined in Section 2 of the Public Service Law, having annual gross revenues in excess of two hundred fifty thousand dollars.

32. Utility Deficiency –

(a) Any action or inaction by the utility or one of its authorized agents that does not substantially conform to the rules and regulations of Title 16 NYCRR, the utility's tariff; or

(b) The failure of metering equipment to accurately record service, unless a customer's culpable conduct caused or contributed to such failure.

**The following words and terms when used in this tariff with respect to Extension of Mains shall have the following meanings:**

33. Advance or Deposit – Money advanced by the applicant to the utility subject to refund.

34. Applicant – A person, developer, builder, partnership, association, corporation, or governmental agency requesting service to a specific location.

35. Contribution – Money paid by the applicant to the utility, usually to pay for the cost of installing plant, which will not be refunded.

36. Developer – A business or person who will subdivide or prepare real estate for residential or commercial occupancy, who requires the installation of utility plant in advance of occupancy, and whose success resulting in utility customers can be considered speculative since it is dependent upon the success of the real estate venture.

37. Extension – The extension of water main including the pipe, elbows, tees, valves, reducers, service taps, and other appurtenances which may be part of the facilities extended to provide water service. See also Section VIII for further discussion.

38. Extension costs – As used in this tariff, shall include the costs of labor, design, equipment and materials used in the extension installation, all paving charges for the repair or replacement of street or sidewalk which may be disturbed in the course of such installation, the costs of inspection, amounts paid to governmental authorities for permits to do the work required, and other costs or taxes that are legally imposed by any governmental authority.

39. Gross annual utility revenue – The total of customer charges for utility service billed in one year.

**PSC No. 1 – WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 10****REVISION: 1****SUPERSEDING REVISION: 0****II. DEFINITION OF TERMS (CONTINUED)**

40. Any highway purposes – The Company will recognize any street, avenue, road or way as being for highway purposes under the jurisdiction of the legislative body of any village, town, city, county or the State of New York, if any one of the following three conditions is satisfied:

- 1) If the street has been dedicated and accepted by the legislative body, or
- 2) If the street has been condemned by the legislative body, or
- 3) If the street is being maintained by the legislative body at the time application for water service is received.

41. Private street – Any street, avenue, road or way that is not for any highway purpose under the jurisdiction of the legislative body of any village, town, city, county, or the State of New York.

42. Public street – Any street, avenue, road or way that is under the jurisdiction of a legislative body of any village, town, city, county or State of New York used for highway purposes.

43. Residential service – Water service for sanitary and potable domestic use.

44. Service area – The area in which the utility has required government authorization to provide utility service.

45. Service connection – The facilities necessary to provide the customer service, including the service line, the main tap, meter and other related facilities.

46. Service line or lateral – The pipe and valves which are used to deliver the water from the main into the customer premises; the Company portion being that between the main and the customer property line, and the customer portion being that from the property line into the premises.

47. Surcharge – A charge billed to the customer in addition to the regular bill for service.

48. Water Main – Pipe carrying water which is generally available to more than one service line.

49. Water-works Tariff – The schedule of rules and charges for water service, filed with and approved by the Commission, under which the utility is required to provide service.

**PSC No. 1 – WATER**  
**COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.**  
**INITIAL EFFECTIVE DATE: June 3, 2023**

**LEAF NO.: 18**  
**REVISION: 1**  
**SUPERSEDING REVISION:0**

## **VI. BILLING, METER READING, NOTIFICATION AND TERMINATION FOR RESIDENTIAL AND NON-RESIDENTIAL GENERAL USE WATER**

See Section II, Definitions, beginning at Leaf No. 6 for the definition of terms used in this section.

### **A. Bills Payable**

#### **1. Billing**

- 1.1. All bills are payable in accordance with the terms of the applicable service classification.
- 1.2. Service Classifications 1, 2, and 3  
A month is defined in the respective service classification as any period consisting of not less than twenty-eight (28) consecutive days nor more than thirty-two (32) consecutive days. In the event a bill is for a period of longer than 32 days or shorter than 28 days, and for a new service or a service termination, the charges will be prorated on a per-day basis formula.
- 1.3. Meters will be read and bills will be rendered monthly or quarterly, and bills are due when rendered and are payable at the office (by mail or the lock box Custodian) of the Company or to any authorized collector. Volumetric (or usage) charges specified in the various Rate Schedules are stated on a monthly basis.
- 1.4. Bills for all meter reading periods affected by a change in rates will be prorated.

#### **2. Budget Billing**

- 2.1. The Company shall annually offer and approve a budget billing payment plan to residential metered customers. Budget billing is an optional program designed to reduce fluctuations in a customer's bill payments due to varying patterns of usage by averaging a customer's total estimated annual billing into 12 equal monthly installments.
- 2.2. The customer's annual billing will be estimated at the applicable unit prices based on usage for the preceding 12-month period. The customer will be billed a monthly "budget" amount equal to one-twelfth (1/12) of such estimated annual billing. For new customers that do not have a 12-month history of prior water bills or usage, the estimated annual billing will be based on the water usage associated with the premise. If the premise has little or no prior water usage history, the estimated annual billing will be based on a reasonable estimate of likely usage.
- 2.3. If at the end of the budget billing payment plan year the amount paid by the customer is less than the amount due for actual water usage, then the customer shall pay the deficiency as well as the stipulated monthly budget payment for the twelfth (12<sup>th</sup>) month billing cycle. If at the end of the budget billing payment plan year the amount paid by the customer is greater than the amount due for actual water usage, then the Company shall apply a credit to the customer's account equal to the overpayment or, at the customer's request, shall refund an amount equal to the overpayment.
- 2.4. The Company shall at least once during each customer's budget billing payment plan year review the customer's plan balance and, based upon known and/or projected usage, rates, or adjustments, re-estimate the customer's remaining bills for the year. Based on such re-estimation, the Company may change the customer's monthly budget billing amount to minimize overpayments or underpayments to be adjusted on the customer's twelfth (12<sup>th</sup>) month bill.

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 – WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 18.1****REVISION: 0****SUPERSEDING REVISION:****VI. BILLING, METER READING, NOTIFICATION AND TERMINATION FOR  
RESIDENTIAL AND NON-RESIDENTIAL GENERAL USE WATER (CONTINUED)**

- 2.5. If a customer opts out of the budget billing plan or the customer's service is discontinued for any reason, total charges incurred to date shall be immediately due and payable, or any overpayment shall be credited to the customer's account or refunded.
- 2.6. If the customer breaches the terms of the budget billing plan by failing to make the monthly payments as required under the plan or by having a budget billing plan payment returned due to insufficient funds, the Company may terminate the customer's participation in the budget billing program. Upon such termination, any overpayment will be credited to the customer's account or refunded and any deficiency shall be immediately due and payable

**B. Late Payment Charge**

1. Bills are due upon presentation. Bills shall be deemed presented when delivered to the customer personally or when mailed to the customer at the premises supplied, or at the last known address of the customer, or when left at either address or any mailing address provided. After the bill is presented, failure to receive such bill from the Company will not entitle the customer to any delay in the settlement of the customer's account nor to any extension of the date after which the late payment charge becomes applicable.
2. The late payment charge becomes due unless all arrears for service are paid. A request by the customer for adjustment of bills or any other complaint does not extend the due date of the undisputed portion of current bills.
3. A late payment charge at the rate of one and one half percent (1-1/2%) per month will be applied to the accounts of all customers taking service under Service Classification Nos. 1, 2, 3 4, 5, 6, and 7. Under said classifications, the charge will be applied to all arrears, and unpaid late payment charge amounts, which are not received by the Company on or before a date specified on the bill. The date so specified shall not be less than 20 days after the first day of each billing.
4. In lieu of the late payment charges specified in paragraph 3 above, customers that are qualifying State Agencies will be subject to an interest charge calculated at the corporate tax rate. This interest charge will be applied to all accounts not paid within 45 days of the last day of each billing period under Service Classification Nos. 2 and 4. State Agencies are defined to include State Government Agencies, the City University of New York, when acting on behalf of its senior colleges, the Facilities Development Company or the State University Construction Fund.

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 - WATER**  
**COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.**  
**INITIAL EFFECTIVE DATE: June 3, 2023**

**LEAF NO.: 19**  
**REVISION: 1**  
**SUPERSEDING REVISION:0**

**VI. BILLING, METER READING, NOTIFICATION AND TERMINATION FOR  
RESIDENTIAL AND NON-RESIDENTIAL GENERAL USE WATER (CONTINUED)**

**C. Dishonored Check Fee**

1. Any payment received and made by a check or any other negotiable instrument which is not honored by the bank on which it was drawn, will be returned to the customer and an \$15.00 handling charge will be levied against the customer's account. This fee is subject to the state and applicable local gross revenue taxes as set forth in the current tax statements with this tariff.

**D. Meter Reading**

1. The customer will provide a suitable place for the location of meters. The Company's authorized agents or employees shall, at all reasonable times, have access to its equipment on the customer's premises for the purpose of reading, inspecting, testing, repairing or removing its equipment.
2. The Company will attempt to obtain an actual meter reading for every metered account, on a regularly scheduled basis in accordance with its tariff. Effective June 1, 2017, all metered customers have been moved to a monthly reading cycle.
3. The quantity recorded by the meter will be considered the amount of water passing through the meter, which amount will be conclusive on both the customer and the Company, except when the meter has been found to be registering inaccurately, or has ceased to register. In all cases where a meter is found to be defective, it will be immediately replaced by a meter that has been tested and properly adjusted.
4. If unsuccessful in attempting to obtain an actual reading, the Company will provide notice to the customer.

**E. Estimated Bills**

1. When the Company is unable to obtain actual meter readings, it may render an estimated bill. The conditions of allowable estimated bills are stated in Title 16 NYCRR 14.12 (b) (i-viii). The estimated bill will be calculated in accordance with an established formula which takes into account the best available data for estimating the customer's usage. The Company may also render estimated bills for reasons stated in 16 NYCRR, Part 14.12.
2. In cases where it is found that a meter has ceased to register or has registered inaccurately and the percentage of accuracy cannot be determined by reasonable test, an estimated bill for the billing period immediately preceding the date when such meter was found defective and for the period from said date to the date of replacement of the meter may be rendered to a non-residential customer but the right to render an estimated bill is strictly limited to such periods and for all other periods the bill shall be the minimum rate provided in the applicable rate schedule. The estimated bill shall be based upon the amount of water consumed in the corresponding period in prior years, except where it

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 34****REVISION: 1****SUPERSEDING REVISION:0****VI. BILLING, METER READING, NOTIFICATION AND TERMINATION FOR RESIDENTIAL AND NON-RESIDENTIAL GENERAL USE WATER (CONTINUED)**

- 4.2. If by the 20<sup>th</sup> calendar day after payment was due, the Company has neither received payment nor negotiated a new payment agreement, the Company will demand full payment of the total outstanding charges and send a final termination notice.

**P. Reconnection of Service**

1. Termination at the Request of the Customer
  - 1.1. Service temporarily discontinued at the curb at the request of the customer or his agent, will be restored upon payment of \$60.
2. Involuntary Termination
  - 2.1. The Company will reconnect service that has been involuntarily terminated for reasons as stated under Subsection I, Termination of Residential Service, paragraph 2, or Subsection K, Termination of Non-residential Service, paragraphs 1 through 4, within 24 hours of the customer's request for reconnection, unless prevented by circumstances beyond the Company's control or unless a customer requests otherwise, under any of the following conditions:
    - 2.1.1. upon receipt of the full amount of arrears for which service was terminated, plus a reconnection charge as provided under paragraph 7 of this subsection, below;
    - 2.1.2. upon receipt of a signed payment agreement, covering the full amount of arrears for which service was terminated, and the receipt of a down payment, if required under that agreement. The reconnection fee can be made part of a payment agreement which is entered into at the time service restoration is requested;
    - 2.1.3. upon the direction by the Public Service Commission or its designee; or
    - 2.1.4. where the Company has received notice that a serious impairment to health or safety is likely to result if service is not reconnected. Doubts as to whether reconnection is required for health or safety reasons will be resolved in favor of reconnection.
3. **Inability to Reconnect** – wherever circumstances beyond the Company's control prevent reconnection of service within 24 hours, the Company will immediately attempt to notify the customer and reconnect service within 24 hours of the elimination of those circumstances.
4. **Penalty** – if a Company does not reconnect service in accordance with the terms of this Subsection P, the Company will pay the customer for each day or portion of a day that service is not supplied after the date that service should have been supplied, as follows:
  - 4.1. \$50.00 per day or portion of a day in cases involving medical emergencies, the elderly, blind or disabled, heat-related service during the cold weather period, or where the Company has notice that serious impairment to health or safety is likely to result if service is not reconnected; or
  - 4.2. \$25.00 per day or portion of a day in all other cases.
  - 4.3. The penalty referred to in paragraph 4.1 of this subsection will not be applicable if the Commission or its designee determines that the Company had good cause for not reconnecting service within 24 hours. In such cases, the Company has the burden of showing good cause.

Suspended to 08/01/2024 by order in Case 23-W-0235. See Supplement No. 3. The supplement filing date was 03/20/2024.

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 35****REVISION: 1****SUPERSEDING REVISION:0****VI. BILLING, METER READING, NOTIFICATION AND TERMINATION FOR RESIDENTIAL AND NON-RESIDENTIAL GENERAL USE WATER (CONTINUED)**

5. Non-residential service that has been terminated due to the customer's deliberate violation of the Company's rules and regulations will be restored upon payment of actual costs incurred by the Company as a result of the customer's actions, including, but not limited to the charge for repair of the condition and restoration of the service.
6. Non-residential water service that has been discontinued by being shut-off at the tap or at the curb or by being locked or sealed by the Company, may be resumed by new application being filed and the payment of the arrears, if more than sixty (60) days have elapsed between termination and the request for resumption of service. The customer may enter into a deferred payment agreement in accordance with Section VII of the tariff to pay off the arrears.
7. **Reconnection Charge**
  - 7.1. A charge will be made for reconnecting service which has been disconnected for nonpayment of bills or violation of the Company's rules, provided that the work of disconnecting has required only the removal of the Company's equipment from the customer's premises or turn off at the curb box. The service reconnection charge in such instances is as follows:
    - 7.1.1. \$60.00 during normal business hours (Monday through Friday);
    - 7.1.2. \$120.00 outside of normal business hours (Monday through Friday); and
    - 7.1.3. \$150.00 on weekends or holidays
  - 7.2. If a customer or his agent refuses to permit an authorized agent or employee of the Company to remove or disconnect the meter or turn off at the curb box because of nonpayment of bills or violation of the rules, or if a customer willfully restores service without permission of the Company, and it becomes necessary to disconnect the service at the Company's main, the charge for reconnecting service will be actual cost and expenses incurred by the Company incident to the disconnection and reconnection of the service. Any charge for reconnection, where service was disconnected for nonpayment of bills, or violation of the Company rules, is payable before service is restored.

**Q. Resale of Water**

1. Customers shall not re-sell water, except where the customer has executed an agreement with the Company for such purpose.

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 40****REVISION: 1****SUPERSEDING REVISION:0****VII. INSTALLATION OF SERVICES (CONTINUED)**

- 1.3. All meters and meter connections shall at all times remain the sole property of the Company, and shall not be interfered with in any respect. All meters will be maintained by and at the expense of the Company so far as ordinary wear and tear are concerned but the customer will be held responsible for damages due to freezing, hot water or other external causes. In case of damage the Company will repair the meter, if necessary replacing it with another meter and the costs shall be paid by the customer. The Company recommends the customer install, at the customer's expense, suitable equipment properly located to prevent backflow of hot water which may cause damage to the meter, or other damage to the customer's plumbing.
- 1.4. The Rules and Regulations of the Public Service Commission require that the Company shall periodically test all meters in service. For this reason, it is incumbent on all customers to permit the Company to remove meters periodically for test and repair. The Company also reserves the right to remove and test any meter at any time, upon reasonable notice, and to substitute another meter in its place. Non-residential customers are referred to Section VI, Subsection K, providing for discontinuance of service in the event of refusal. Residential customers are referred to Section VI, Subsection F, "No Access Procedures".
- 1.5. Any customer may request the Company or the Public Service Commission to make a special test of the accuracy of a meter or meters.
  - 1.5.1. In case of a disputed account involving the question as to the accuracy of the meter, such meter will be tested without charge by the Company upon the request of the customer, provided that the meter or meters have not been tested within twelve (12) months previous to such request. For additional tests made within a twelve (12) month period, the following charges will be applicable for each such test:
 

Fee Schedule:	
2" meters and smaller.....	\$100.00
3" and over.....	Actual Cost

Test fees applicable to meter banks shall be in accordance with the above schedule for a single meter having the nearest equivalent capacity.
  - 1.5.2. In the event that the meter or meters so tested are found to have an error in registration in excess of two (2) percent at any rate of flow within normal test flow limits to the prejudice of the consumer the test fee will be waived and the bills will be adjusted for over-registration in accordance with the method so outlined in the current Rules and Regulations of the Public Service Commission covering the testing of water meters.

**H. Installation and Maintenance of Meters****1. New Services**

- 1.1. The Company will provide and install a meter or meters for each service pipe unless otherwise agreed.
- 1.2. Meters are to be set horizontal in an accessible location near the entrance of the service pipe to the premises.
- 1.3. At the option of the Company, it may be required that the meters shall be set in a pit. Meter pits shall be of plastic or fiber material with cast iron lids (Ford style meter pit or equal) or precast or poured in place concrete with Bilco style aluminum lid. Brick, block or stone pits are not acceptable. Pit and lid to be purchased, installed and maintained at the customer's expense.

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 41****REVISION: 1****SUPERSEDING REVISION:0****VII. INSTALLATION OF SERVICES (CONTINUED)**

2. **Existing Services** - A meter pit shall be installed by the customer, at the customer's expense, just inside the property line on the following existing services at the discretion and direction of the Company:
  - 2.1. where the customer has failed to maintain a suitable place for the location of the meter;
  - 2.2. where the meter has not been kept open for inspection, reading, maintenance, removing and setting;  
or
  - 2.3. on any replacement of any existing service over sixty (60) feet in length.
  - 2.4. For a customer who has failed to provide access to the meter, as described in paragraph 2.1 or 2.2 and who has accumulated six consecutive months of estimated bills as described in Leaf 20 Subsection F, the Company will issue the first of up to three notices requiring the installation of a meter pit. Each notice will include the Company's direction to the customer to install the meter pit within thirty (30) days of receipt of the notice. If the customer has not installed the meter pit within thirty (30) days after the issuance of the third notice provided in accordance with this Section and with Leaf 20 Subsection F, the Company will undertake to install the meter pit and bill the customer for the cost of the installation. Once either the customer or the Company has installed the meter pit, the accrual of No Access Fees will be terminated. For a customer who replaced an existing service over sixty feet in length (according to paragraph 2.3 above) and failed to install a meter pit within 60 days of being notified by the Company to do so, the Company will issue three notices as described in this section. If the customer has not installed a meter pit within 30 days of the issuance of the third notice, the Company will install the pit and bill the customer for the cost of installation. The installation cost for meter pits installed by the Company according to paragraphs 2.1 - 2.4 will not exceed \$1,700.00.
3. The installation and maintenance of meter pits are the responsibility of customers, including all residential and all non-residential customers.
4. Stops or ball valves of standard make are required immediately before and after each meter. These materials shall be NSF approved. The customer (whether residential or non-residential) is responsible for the installation and maintenance of the stops or ball valves.
5. Lead must not be used to make connections between the Company stop and the meter.
6. **Meter Installations, Removals and Seals**
  - 6.1. The Company will install and remove meters from the customer's premises without cost to the customer except in cases where service is discontinued for nonpayment of bills.
  - 6.2. The meter and couplings will be sealed by the Company and the seals must remain intact. Prosecution will follow if the seals are tampered with or broken.
  - 6.3. When a meter is installed, water will be turned on to the stop or valve on the inlet side of the meter and a tag attached to the stop or valve with information concerning instructions to continue water supply to the premises.
  - 6.4. Upon placing or replacing a meter in service, unless the register is set at zero, the Company will securely attach a tag stamped with figures indicating the date and the meter dial reading at time of setting.
  - 6.5. When removing a meter, the consumer will be given the reading and will be given the opportunity to read the meter if so desired. The Company shall afford the customer an opportunity to verify the final reading of any water meter removed from the premises.
7. **AMI Meter Opt-Out** - Residential customers who have, or are scheduled to have, automated meters installed by the Company on their premises may elect to opt out of an Automated Meter Reading equipped meter ("AMR meter") or an Advanced Metering Infrastructure equipped meter ("AMI meter") and, thereby, have their meters read manually, by completing an automated-meter opt-out

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 53****REVISION: 1****SUPERSEDING REVISION:0****IX LAWN SPRINKLER SERVICES – RULES AND REGULATIONS**

See Section II, Definitions, beginning at Leaf No. 6 for the definition of terms used in this section.

**A. Applicable to Lawn Sprinkler Systems supplied by an existing service line installed prior to March 15, 1947 which supplies both lawn sprinkler systems and general service (one service line – two meters).**

1. Service Classification No. 6 – Starting June 2, 2023, service previously billed under Service Classification No. 6 - Lawn Sprinkler Service will be billed under Service Classification No. 1 or Service Classification No. 2, depending on the primary service account of the service address. The monthly meter charge and volumetric charges will apply separately to the transitioned Lawn Sprinkler Service and all other terms of Service Classification No. 1 or Service Classification No. 2 will apply.
2. The service under this classification is available exclusively for the purpose of supplying water for underground lawn sprinkler systems which are supplied from the existing service line which also furnishes the general supply.
3. The customer may install and maintain a meter box or pit of substantial construction or provide an accessible location within the foundation of the building, at a location to be approved by the Company.
  - 3.1. The customer shall provide the necessary piping for the connection of the water meter.
  - 3.2. The customer shall furnish and install one lock stop shut off, an approved double check valve (DCV), or reduced pressure zone (RPZ) device and three resilient seat type valves in accordance with the layout furnished by the Company filed with the Public Service Commission of the State of New York in this Section IX, Subsection E. The DCV or RPZ device shall be installed in accordance with New York State Health Department Guidelines regarding cross connection control, and as described under Section VII, Subsection J.
4. The Company does not guarantee that the existing service line is adequate to furnish both general and sprinkler service. The Company will not be obligated to replace the existing service line if it is found inadequate.
5. The Company shall not be obligated to increase the size of the meter to meet the combined seasonal and domestic demand. Meters shall be sized for domestic demand only.

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 54****REVISION: 1****SUPERSEDING REVISION:0**

**B. Applicable to Lawn Sprinkler Systems supplied by a separate service line installed on or after March 15, 1947 which supplies only the lawn sprinkler system (two service lines – two meters).**

1. Service Classification No. 6 – Starting April 1, 2024, service previously billed under Service Classification No. 6 - Lawn Sprinkler Service will be billed under Service Classification No. 1 or Service Classification No. 2, depending on the primary service account of the service address. The monthly meter charge and volumetric charges will apply separately to the transitioned Lawn Sprinkler Service and all other terms of Service Classification No. 1 or Service Classification No. 2 will apply.
2. The service under this classification is available exclusively for the purpose of supplying water for permanent underground lawn sprinkling systems installed in or under the customers' lawns, such sprinkler systems to have attached jets or sprinkler heads which will sprinkle the lawn on a customer's premises when valves under the control of the customer are opened.
  - 2.1. A separate service pipe will be installed to service applicants under this classification.
  - 2.2. No cross-connections will be permitted between the lawn sprinkling system and any service line or pipes supplying water for other purposes.

**IX. LAWN SPRINKLER SERVICES – RULES AND REGULATIONS (CONTINUED)**

3. The customer shall enter into a contract with the Company wherein the customer agrees to use the Lawn Sprinkler Service for ten full seasons from the day of installation under this classification.
  - 3.1. To guarantee such agreement the customer shall deposit with the Company, in advance of installation, the estimated cost of the installation of service pipe from the main to the property line.
    - 3.1.1. Upon determination of the actual cost of the installation the deposit will be adjusted and any differences between the actual cost of the installation and the estimated cost will be billed or refunded to the customer.
  - 3.2. Deposits will bear interest at the rate currently authorized by the Commission.
  - 3.3. The adjusted deposit covering the actual cost of the installation will be held by the Company for ten full seasons. After the service line has been in use for ten full seasons, the adjusted deposit will be refunded in its entirety.
  - 3.4. If the customer discontinues service at any time prior to ten full seasons, the Company will charge the adjusted deposit with the entire cost of such service less depreciation at the rate currently authorized by the Commission, for the period such service has been in the ground and return to the customer the difference remaining.
4. The Company will furnish and install the entire service from the main to the property line and will furnish and install a meter not to exceed 2" to record the quantity of water consumed.
  - 4.1. The Company shall have the right to determine the size of the service line and the size of the meter.

Issued by: Chris Alario, President, 60 Brooklyn Avenue, Merrick, New York 11566

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 55****REVISION: 1****SUPERSEDING REVISION:0**

5. The customer shall install and maintain a meter box or pit of substantial construction at or immediately adjacent to the property line, unless another location for good reason shown, is approved by the Company, and provide the necessary piping therein for the connection of the water meter.
  - 5.1. The customer shall furnish and install in the meter box or pit an approved double check valve (DCV) or reduced pressure zone (RPZ) device and three resilient seat type valves in accordance with the layout furnished by the Company filed with the Public Service Commission of the State of New York in this section, Subsection F. The DCV or RPZ device shall be installed in accordance with the New York State Health Department guidelines regarding cross connection control and as described under Section VII, Subsection J.

**IX. LAWN SPRINKLER SERVICES – RULES AND REGULATIONS (CONTINUED)**

- 5.2. The Company will not replace the service line which is inadequate to supply an underground lawn sprinkling system supplied from an outside hose bib or sill cock.
- 5.3. Customers requiring an additional supply of water for such purpose will be obligated to apply for Lawn Sprinkler Service pursuant to Service Classification No. 4, found in this Section IX, Subsection B.
6. The customer shall install an approved double check valve (DCV) or a reduced pressure zone device (RPZ) on the customer's service line in accordance with the New York State Health Department guidelines regarding cross connection control, and as described under Section VII, Subsection J.
7. Meters may be read monthly or quarterly at the option of the Company.

**D. Applicable to All Lawn Sprinkler Service.**

1. In the event of an emergency, the Company may discontinue the service.
2. The Company shall have the right to determine the size of the service line and the size of the meter.
  - 2.1. The Company will furnish and install a meter not to exceed 2" to record the quantity of water consumed.
3. No cross-connections will be permitted between the lawn sprinkling system and service line and any pipes supplying water for other purposes.
4. The Company may terminate water service for violation of water use restrictions.
5. The Company will read and/or remove the water meter at the end of the season.
6. The Company will issue a bill for the service which will be payable upon receipt by the customer.

Rate: Public Fire Hydrants \$186.25 per hydrant, per quarter

Terms of Payment:

Quarterly, in arrears. If hydrants are installed within the billing period, the charges will be prorated. A late payment charge of 1.5% per month will be assessed on the balance of any bill for service which has not been paid in full within 20 calendar days of the date payment was due.

Term: One year and to continue from year to year thereafter, unless terminated by thirty days' notice.

The above rates are subject to the local gross revenue taxes as set forth in Statement GRT of this tariff, where applicable.

**PSC No. 1 - WATER****COMPANY: LIBERTY UTILITIES (NEW YORK WATER) CORP.****INITIAL EFFECTIVE DATE: June 3, 2023****LEAF NO.: 92****REVISION: 0****SUPERSEDING REVISION:****CUSTOMER ASSISTANCE PROGRAM (CAP)**

The Company's Customer Assistance Program, or CAP consists of two sub-programs: the Arrearage Management Program and the Low-Income Bill Discount Program. Low-Income Customers are eligible to apply for one or both programs. The CAP provides Low-Income Customers with financial assistance toward their bill payments. Details of these programs are described herein:

1. Low-Income Bill Discount Program- Provides Low-Income Customers enrolled in this program with a credit equal to the monthly meter charge (not greater than the 1<sup>st</sup> monthly charge). The Company will display the meter charge credit as a separate line item on the customer's bills.
2. Arrearage Management Program (AMP)- Provides Low-Income Customers enrolled in this program with arrearage forgiveness of up to \$1,200/year for as long as they are on this program. Low-Income Customers participating in the AMP will receive \$100 in monthly arrearage forgiveness ("AMP Credit") for each timely payment of their agreed monthly budget amount ) unless the remaining arrearage balance is less than \$100.
  - a. To qualify for the AMP, a Low-Income Customer must: (a) have a minimum of \$300 in arrears; (b) be in arrears at least 45 days; (c) be on the Company's budget billing plan; and (d) pay their agreed monthly budget amount.
  - b. If a customer fails to pay their agreed monthly budget amount, the customer's budget billing payment agreement will be terminated, and any remaining AMP benefit will be forfeited. The budget billing plan and AMP participation may be reinstated later if all missed and current payments are made, and the customer reapplies to the AMP.
  - c. Customers on the AMP and current with their agreed monthly budget amount will be protected from service disconnection.
  - d. A Low-Income Customer can participate once on the AMP.
