8.0 INDIVIDUAL CASE BASIS (ICB) ARRANGEMENTS

Rates for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a Confinement Facility for service which vary from tariffed arrangements. Rates quoted in response to such requests may be different for tariffed service than those specified for such service in the rates section of this tariff. ICB rates will be offered to Confinement Facilities in writing and will be made available to similarly situated facilities. A summary of each ICB pricing arrangement offered pursuant to this paragraph will be filed as an addendum to the tariff within 30 days after the contract is signed by both the Company and the Confinement Facility. The following information will be included in the summary (as applicable):

- 1) LATA and type of switch
- 2) The V&H distance from the central office to the Confinement Facility's premises
- 3) Service description
- 4) Rates and charges
- 5) Quantity of circuits
- 6) Length of the agreement
