Section 6 – LOCAL EXCHANGE SERVICE

6.1 GENERAL

6.1.1 Scope

6.1.1.A Local exchange service provides a Customer with a telephonic connection and a unique telephone number address on the public switched telecommunications network. Each local exchange service enables users to:

6.1.1.A.1 receive calls from other stations on the public switched telecommunications network;

6.1.1.A.2 access other services offered by the Company as set forth in this tariff;

6.1.1.A.3 access (at no additional charge) the Company's business office for service related assistance;

6.1.1.A.4 access (at no additional charge) emergency services by dialing 0- or 9-1-1; and

6.1.1.A.5 access services provided by other common carriers which purchase the Company's Switched Access services as provided under the Company's Federal and/or State tariffs, or which maintain other types of traffic exchange arrangements with the Company.

6.1.1.B Each local exchange service is available on a 'Full' service basis, whereby service is delivered to a demarcation/connection block at the customer's premise.
