Section 6 - RESIDENTIAL NETWORK SWITCHED SERVICES

6.1 GENERAL

Residential Network Switched Service provides a residential customer with a connection to the Company's switching network which enables the customer to:

- a) place and receive calls from other stations on the public switched telephone network;
- b) access the Company's local calling service;
- c) access the Company's operators and business office for service related assistance; access toll-free telecommunications services such as 800 NPA; and access 911 service for emergency calling; and
- d) access the service of providers of interexchange service. A customer may presubscribe to such provider's service to originate calls on a direct dialed basis or to receive 800 service from such provider, or may access a provider on an ad hoc basis by dialing the provider's Carrier Identification Code (10XXX).
