P.S.C. No. 6 -- Telephone
Local Exchange Services
Effective Date: December 16, 2011

Section 4
Leaf No. 1
Revision: 0

SECTION 4 – SPECIAL PRICING ARRANGEMENTS

4.1 Special Arrangements

The Company may engage, from time to time, in special arrangements designed to attract new customers, to stimulate customer usage and/or increase existing customer awareness of the Company services. These arrangements will be limited to certain dates determined by the Company. Service offered under this tariff provision will be provided to Customers pursuant to contract. Unless otherwise specified, the regulations for such arrangements are in addition to the applicable regulations and prices in other sections of this tariff.

Special Arrangements are found in the Addendum Type: ICB of this tariff, and in this Section.

4.2 Service Promotional Trials

4.2.1 General

The Company may establish temporary promotional programs wherein it may waive or reduce nonrecurring or recurring charges, to introduce a present or potential customer to a service not previously subscribed to by the customer.

4.2.2 Regulations

- A. Appropriate notification of the Trial will be made to all eligible customers and to the Commission. Appropriate notification may include direct mail, bill inserts, broadcast or print media, direct contact or other comparable means of notification.
- B. During a Service Trial, the service is provided to all eligible customers who ask to participate. Customers will be offered the opportunity to decline the trial service both in advance and during the trial. A customer can request that the designated service be removed at any time during the trial and not be billed a recurring charge for the period that the feature was in place. At the end of the trial, customers that do not contact the Company to indicate they wish to retain the service will be disconnected from the service at no charge.
- C. During a Promotional Trial, the service is provided to all eligible customers who ask to participate. Customers will be notified in advance of the opportunity to receive the service in the trial for free. A customer can request that the service be removed at any time during the trial and not be billed a recurring charge for the period that the service was in place. At the end of the trial, customers that do not contact the Company will be disconnected from the service.
- D. Customers can subscribe to any service listed as part of a Promotional Trial and not be billed the normal Connection Charge. The offering of this trial period option is limited in that a service may be tried only once per customer, per premises.
- E. The Company retains the right to limit the size and scope of a Promotional Trial.

Inbound Blocking Packages	Description	Charge
3 rd Party Blocking	Refers to a customer calling the local/long distance operator from a phone other than their own and billing another call back (long distance, local or toll) to their ALS phone number. The party of the billed to number pays for the usage and any operator surcharges. A business customer may wish no to be billed for these types of calls (possible fraud) and have 3 rd party calls blocked.	\$0.00
Collect Call Blocking	Refers to a customer accepting collect calls made to their ALS phone number. The called party pays for any usage and operator surcharges for such calls. Typically businesses do NOT have collect calls blocked and consider it to be a customer service. However, this is at the customer's discretion.	\$0.00
